## **The murderer card**

*Monday 15th March 2018, the famous killer Peter Huck, more famous under the name of «The murderer card», came back after 10 years. This man left a king of spade's card next to his victims. Katie Williams mother of 3 children was found dead at her home, in the night from the 14th to the 15th March at 4:46am. A neighbor saw at about 4:30am, a man leaving the home of Katie in the dark streets of London. The neighbor described to the investigators the man. He was tall, very slim, he had long and black hair. He wore a long, black jacket, beige pants, black shoes and a black hat. The police discovered the victim, they had the surprise to discover a king of spade's card next to the body, other clues were discovered, like foot prints and Peter Huck's hair. The suspect was always in escape, until today (18/03/2021). He was found in a little hut in the forest. He was arrested and put in jail.*

## **The hidden man**

It was Tuesday 27th April 2000 in London, Katherine Oward went back to work at 10pm. She went back late, it was dark. She was tall, beautiful and thin. She wore a suit, a jacket and a skirt. She was blonde, she had blue eyes. She came back to her house, her husband still worked, she was therefore alone. Everything was going well, she was going to cook.

She ate, went in the shower. When all of a sudden a hidden man in the corner of the wall stabbed her. He went running, the man was tall, dressed in black. Her husband came home, saw his wife and he cried. He called the police. The police took fingerprints. The man was found thanks to a witness and put in prison thanks to a investigator. Katherine was taken to a hospital, she survived.

# The mysterious criminal has been discovered

The mysterious criminal accused of 48 homicides has been discovered after a long time of anonymity.

The real name of the mysterious criminal was « Jean Voleur », the police intercepted Jean in a Walmart.

The mysterious criminal looked like a lumberjack, he wore a long and grey beard, he was bald and he wore a red and white square shirt, his shoes were reddish and original and he wore **horrible khaki pants.**

A lot of witnesses saw this person, the witnesses were questioned, the information collected made it possible to find the mysterious criminal, according to the legend he was looking in the Walmart for his futures victims.

The mysterious criminal was stopped and he's in jail for 30 years.

# The murderer Sylvain IOV was finally arrested!

The Ukrainian Sylvain Iov was found in a hut at the edge of the national forest of Conecuh.

The police testified: «The last time someone saw him, he was tired and injured. We followed the blood and the footprints on the ground, and after 2 days of research we found him. He was dangerous and one of the agents killed him.».

He killed his victims like that:

- He knocked the target
- He attached and kidnapped the person
- He drowned him/her

He was 42 years old. He was tall and skinny. He had red hair, and a red beard. He had green eyes.

In all, he killed 8 people; 5 girls and 3 boys in the 4 corners of the USA.

He was a cruel and atrocious criminal. His operating method wad terrible. Some family said: “...he deserved to die...” Of course this sentence was without context.

# Crimes in the hotel room

**2<sup>nd</sup> February 1998**, a woman was found in a hotel room, close to Chicago. She was called Megane Clark, she was married to Aaron Clark. Megane had no children. She was born on 18<sup>th</sup> March 1828. She was tall enough, she had brown hair and blue eyes. The day of the crimes, she had a dress with marks of blood. There were foot prints on the ground.

The police questioned the neighborhood, they heard noise (a shouting) so the husband was being questioned. He said he was running at the moment of the crimes. The police suspected Aaron, because they have clues.

Some months later, **21<sup>st</sup> June 1998**, the police solved the crimes. They found the helpful evidence. **19<sup>th</sup> September 1998**, the police discovered the guilty, Aaron. He stabbed her in the back, because she was cheating on him.

He was placed in a prison cell for the rest of his life.

**The end**
